TAKE IT EASY When your mates are mobbing you/ And your projects slip away/ When your boss laughs about you/ And your career slackens off/ When your heart is filled with blood/ And your mind is filled with mood/ When your nightmare comes true/ Just lean back, breath deeply now – and/ Take it easy/ Take it easy/We take it easy/ When your wife ignores you now/ And your nasty kid cuts you dead/ When your own dog disbeys/ And your best friend disappears/ When your heart is filled with mood/ And your mind is filled with mood/ When your nightmare comes true/ Just lean back, breath deeply now – and/ Take it easy/Take it easy/ We take it easy/ Uh...Ah...Uh/ When you felt never understanding/ Time and space are never ending/ Uh...Ah...Uh.../ Take it easy/ Take it easy/ We take it easy

WONDERBRA Everyone could see he is a noble man/ As he passed on by/ A Mercedes, fine suits, a huge flat/ And a smart polite guy/ All of the persons around Mister Him/ Were so much impressed/ Every month a new car and a girl/ He's giving gas being the best/ High flyer with credit the bank/ Gave him to survive/ No, he doesn't seem to be/ What he is pretending so far/ Wonderbra, wonderbra/ Have faith in you and the things you do/ Wonderbra, wonderbra/ Have faith in you and the things you do **FLASH** No looking back, no thoughts crossed the red edge/ Crying loud and sweating blood/ I just try to see beyond the time/ Oh girl, you burned my love for crime/ I can't sleep – my heart is set on fire/ Try to see and feel the heat/ I believed in living in a daydream/ Oh girl, I just can't let you go/ A flash in my heart/ I've got a flash in my mind/ I just can't get to you girl/ It was wrong to let you go/ I've got a flash in my lonely soul, oh yeah/ Empty rooms, a heart full of sorrow/ I've never thought not to be with you/ It never seemed to me quite easy/Oh girl, why did you have to leave/ I can't sleep – my heart is set on fire/Try to see and feel the heat/ I believed in living in a daydream/ Oh girl, I just can't let you go **GHEIMTYP** Am liebschte wür di küsse, aber s'dörf ja niemert wüsse/ Ich weiss es ganz genau, du bisch für mich die Frau/ Immer chriblig dänki wau, und weiss genau du liebsch mi au/ Küsse wotti, Liebi mache/ Dich verwöhne, mit der lache/ Wott, dass es immer wieter gaht/ Vom morgue früeh bis z'abig schpat/ So witt ewäg und unbekannt, uf dich als Mänsch bin ich so gschpannt/ Für en Traum us em Alltag gloffe, ganz nervös vill graucht und gsaffe/ Es bliibt eus nume glaube z'hoffe, wenn di gseh fangt's Herz ah poche/ Weiss nöd, ob mir die Zitt chasch gäh, wo ich für mich jetzt halt muess näh/ Bim Gedanke dich z'verlüre wird's mer schlächt, so intensiv und ungerächt/ Gäge all Gränze, all Mächt wott eifach dich, es isch mer jedes Mittel rächt/ Ja, ich wotts jetzt eifach wüsse, und dazue muess ich dich küsse/ Und zwar lang und fescht, dass isch's allerbescht/ Ich weiss es ganz genau, es isch kein Tescht, s'wird super, mega, s'bescht
